Night Festival Event Update

As the rain continues to fall, the children express their disappointment by saying, "It's raining again today...". However, they have begun to change their minds and are enjoying playing indoors to the fullest. COVID-19 has no end in sight, and we are all feeling a sense of exasperation. The Night Festival was something both the children and parents were looking forward to attending. Unfortunately, because there has been no change to the COVID-19 situation and in accordance with infection prevention measures, we have decided to change the event from the Night Festival to "Summer Festival" and hold it for students only, as we did last year.

Thank you for your understanding and cooperation.
